Re: FPPC File No. 09/787; Illece Buckley Weber

Dear Ms. Weber:

On December 17, 2009, the Enforcement Division of the Fair Political Practices Commission ("FPPC") sent you a letter inquiring into the receipt of a gift reported on your Statement of Economic Interests (Form 700) that exceeded the allowable limit. In response to that letter, you indicated that the gifts reported were actually gifts given by a member of your family during the holiday and that it was inadvertently reported.

As you pointed out in your letter, you now understand that public officials are not required to disclose gifts received from family members. We appreciate your quick response to our letter and have closed our file on this matter.

If you have any questions, please feel free to contact me at (916) 322-8194.

Sincerely,

REDACTED
